

# CONTENTS OF VOLUME 80

Adams, Darrell K. See Uehla, Z. Joseph.	
Anderson, James A. A theory for the recognition of items from short memorized lists . . . .	417
Anderson, Norman H. Comments on the articles of Hodges and of Schöenemann, Cafferty, and Rotton . . . . .	88
Arend, Lawrence E., Jr. Spatial differential and integral operations in human vision: Implications of stabilized retinal image fading . . . . .	374
Bowers, Kenneth S. Situationism in psychology: An analysis and a critique . . . . .	307
Cafferty, Thomas. See Schöenemann, Peter H.	
Catlin, Jack. In defense of sophisticated-guessing theory . . . . .	412
Cheng, Chao-Ming. See Huesmann, L. Rowell.	
Chertkoff, Jerome M. See Komorita, S. S.	
Coombs, Clyde H., and Smith, J. E. Keith. On the detection of structure in attitudes and developmental processes . . . . .	337
Dalrymple-Alford, E. C. Additional comments on the $\alpha$ parameter of Horvath's model for free association tests . . . . .	93
Davis, James H. Group decision and social interaction: A theory of social decision schemes	97
Gravetter, F., and Lockhead, G. R. Criterial range as a frame of reference for stimulus judgment . . . . .	203
Gregory, Richard L. Reply to Massaro . . . . .	304
Heim, Jan. A comment on R. C. Johnson: "Reanalysis of 'Meaningfulness and Verbal Learning'" . . . . .	235
Hilgard, Ernest R. A neodissociation interpretation of pain reduction in hypnosis . . . .	396
Hodges, Bert H. Adding and averaging models for information integration . . . . .	80
Hoffman, Howard S., and Ratner, Alan M. A reinforcement model of imprinting: Implications for socialization in monkeys and men . . . . .	527
Horst, Leslie. See Sashkin, Marshall.	
Huesmann, L. Rowell, and Cheng, Chao-Ming. A theory for the induction of mathematical functions . . . . .	126
Kahneman, Daniel, and Tversky, Amos. On the psychology of prediction . . . . .	237
Kaufman, Herbert M. See Levy, Robert M.	
Komorita, S. S., and Chertkoff, Jerome M. A bargaining theory of coalition formation . .	149
Levy, Robert M., and Kaufman, Herbert M. Sets and subsets in the identification of multidimensional stimuli . . . . .	139
Lockhead, G. R. See Gravetter, F.	
Malone, John C., Jr. A note on general process learning theorists . . . . .	305
Massaro, Dominic W. Constancy scaling revisited . . . . .	303
Miller, Ralph R., and Springer, Alan D. Amnesia, consolidation, and retrieval . . . .	69
Mischel, Walter. Toward a cognitive social learning reconceptualization of personality . .	252
Morris, William C. See Sashkin, Marshall.	
Nakatani, Lloyd H. On the evaluation of models for the word-frequency effect . . . . .	195
Nickerson, Raymond S. Intersensory facilitation of reaction time: Energy summation or preparation enhancement? . . . . .	489
Pike, Ray. Response latency models for signal detection . . . . .	53
Rachlin, Howard. Contrast and matching . . . . .	217
Ratner, Alan M. See Hoffman, Howard S.	
Rotton, James. See Schöenemann, Peter H.	
Sashkin, Marshall, Morris, William C., and Horst, Leslie. A comparison of social and organizational change models: Information flow and data use processes . . . . .	510
Schöenemann, Peter H., Cafferty, Thomas, and Rotton, James. A note on additive functional measurement . . . . .	85
Seligman, Martin E. P. Reply to Malone . . . . .	306
Smith, J. E. Keith. See Coombs, Clyde H.	
Spear, Norman E. Retrieval of memory in animals . . . . .	163
Springer, Alan D. See Miller, Ralph R.	
Turvey, M. T. On peripheral and central processes in vision: Inferences from an information-processing analysis of masking with patterned stimuli . . . . .	1
Thomas, Hoben. Unfolding the baby's mind: The infant's selection of visual stimuli . . .	468
Tversky, Amos. See Kahneman, Daniel.	
Thomson, Donald M. See Tulving, Endel.	

Tulving, Endel, and Thomson, Donald M. Encoding specificity and retrieval processes in episodic memory .....	352
Ulehla, Z. Joseph, and Adams, Darrell K. Detection theory and expectations for social reinforcers: An application to aggression .....	439
Walley, Roc E., and Weiden, Theodore D. Lateral inhibition and cognitive masking: A neuropsychological theory of attention .....	284
Weiden, Theodore D. <i>See</i> Walley, Roc E.	
Wyer, Roberts S., Jr. Category ratings as "subjective expected values": Implications for attitude formation and change .....	446
